J. Ensley,
M. Mottahedi

K-means

K-nearest neighbor

Prototype and
Clustering
Methods

S. Yang,
J. Ensley,
M. Mottahedi

k-nearest neighbor

K-center

Unsupervised Clustering

Prototype and
Clustering
Methods

S. Yang,
J. Ensley,
M. Mottahedi

Our goal is to find k circles that collectively enclose all the input points, such that the largest circle is as large as possible.
